

VIDEO PRODUCTION SPECIALIST

WWW.CAMPOZARK.COM | (870) 867-4131

Camp Ozark is looking for a full-time Video Production Specialist. The Video Production Specialist will spend most of the year in Houston, TX, while serving on site at Camp Ozark for the summer months.

Camp Ozark is a non-denominational Christian summer camp located in Mount Ida, Arkansas. We host over 7,000 campers each summer and seek to engage our camper, parent, and staff populations through media in meaningful, relevant ways throughout the year.

Ideal Candidate Profile

- Passionate about serving in an organization which seeks to bring positive changes to the lives of youth.
- A proactive self-starter and creator who can contribute fresh ideas to help accomplish the organization's overall mission strategies.
- Diligent and detailed in their work. Holds themselves to a high standard of excellence.
- Has demonstrable leadership experience and enjoys leading a team which seeks to fulfill a larger mission.
- Able to receive constructive criticism as a normal part of the creative process.
- Is motivated to constantly elevate their skillset and expand their capabilities.
- Is able and willing to spend the summer months (May-mid-August) living at the camp facility, located in Mount Ida, Arkansas.
- Is able and willing to work far above and beyond a traditional 40-hour week during the summer months.

Year-Round Responsibilities

Due to the nature of Camp Ozark's operational schedule, approximately 3.5 months (May to mid-August) are spent living/working at the camp property in Arkansas (housing provided). Therefore, the list of responsibilities is broken into Summer Responsibilities and Non-Summer Responsibilities. Many responsibilities extend from one part of the year to the other.

- Plan, film, and edit high-quality videos that capture the essence of Camp Ozark's program.
- Work closely with the marketing and communications team to develop compelling stories that reflect Camp Ozark's mission and values.
- Manage multiple video projects simultaneously, ensuring that deadlines are met and content is delivered.
- Maintain and manage video production equipment, ensuring everything is ready for use.
- Stay updated on the latest trends, techniques, and software in video production.
- Contribute ideas for new video content and ways to improve existing video projects.

Summer Responsibilities

- Provide hands-on training and mentorship to our college student videographers.
- Supervise and lead the team, ensuring that they understand their daily assignments and responsibilities.
- Oversee the planning, filming, and editing of daily video content, ensuring high-quality production.
- Provide technical assistance and troubleshooting support to student videographers, helping them solve any issues that arise with equipment or software.
- Conduct regular performance evaluations and offer constructive feedback to foster an environment for growth.
- Review all video content created by the team to ensure it meets camp's standards for quality and branding.
- Organize and archive Summer Staff video footage and projects for easy retrieval and future use
