

CAMP OZARK FAST PASS

WHAT YOU SHOULD KNOW

With a Fast Pass Camper Pick-Up, you can bypass the Satellite Lot on Closing Day and drive directly through the front gates of Camp Ozark. You will be greeted by a Camp Ozark staff member and valeted to your camper's cabin. While you spend time with your camper(s), we will load your luggage into your car and take it to our staging area. At the conclusion of the Closing Ceremony, you will proceed to the Fast Pass check out station, and enjoy a cool refreshment while we valet your loaded car to you. Once you get your car, you can proceed directly out the back gate and head home (or to the famous Dairyette), avoiding all the lines and shuttles!

All Fast Pass purchases benefit the Camp Ozark Foundation's Ozone Ministries program, which provides year-round discipleship and mentoring to middle school and high school students. Don't forget that \$480 of your \$500 purchase is considered tax-deductible!
