As we conclude our Closing Day ceremony, we pass along a few tidbits of important information before wrapping things up with the traditional singing of the song “Friends.” See you next summer!

# FAMILY OWNED AND OPERATED For Over 35 Years

Since 1985, the Torn family has dedicated their lives to creating an incomparable camp experience and environment for kids. The Torns believe firmly the Lord has blessed them with an amazing staff, driven by purpose and committed to the mission of serving kids. Each of the three summer camp environments created by the Torns have been meticulously planned to blend incomparable natural beauty with the most diverse and exciting camp programming in America.

Whether they are creating new and innovative ways for kids to have a total blast, perfecting the customer experience, providing quality health care, washing dishes, or re-stocking the store, each of the three generations of the Torn family are fully invested in making every aspect of the experience incomparable.

Our goal is for each and every child and each and every staff member to feel like family. We know for many families, the summer camp experience is transformative for their children. We love creating places where kids can be kids. Where they can learn to laugh, sing, run, and play. Where they can be goofy, silly, and crazy. Where they can learn, mature, and grow. Where they can make a friend, be a friend, and keep a friend. It's why we do what we do. There is no place we would rather be than leading an amazing staff who seek to make a real impact on kids.

# THE TORN *Family*

## SAM & SUSAN TORN

Sam and Susan Torn have been the owners of Camp Ozark since 1985. However, Sam first came to Camp Ozark (then known as Ozark Boy's Camp) in 1951 at the age of three with his family. He later spent five summers as a camper at Ozark Boy's Camp and six summers as a counselor.

In 1985, Sam and Susan, along with their three small children, left their suburban lifestyle behind and took a leap of faith when they acquired the assets of Camp Ozark. Since then, through hard work, dedication, and the highest of standards, the Torn family has guided Camp Ozark to its place as THE premier summer camp experience.

As the founders of the Camp Ozark experience, Sam and Susan remain fully committed to the mission of Camp Ozark and to the overall camper experience. Sam and Susan's three children - Scott, Chris, and Angela - have now all assumed operating responsibilities for the Torn Family Camps and continue the legacy begun by Sam and Susan. Sam and Susan also have fourteen grandchildren and count them as the greatest joys of their life.

# CABIN AWARDS

Each camper who attends Camp Ozark is special and uniquely created by God. To recognize each camper's uniqueness, we present two awards to every camper. The first award is in recognition of a unique personality trait while the second is for upholding one of our six core values:

develop a more positive  
**SELF-ESTEEM**

We know self-esteem is important and want our campers to have or develop a positive view of themselves. We want them to feel good about who they are and to understand God made them just as they are for a reason. We strive to build our campers up and help them recognize their uniqueness and worth.

achieve greater  
**SELF-CONFIDENCE**

Camp Ozark is a great place for kids to challenge themselves with new things and to be adventurous. Self-confidence comes from the knowledge that success or failure isn't nearly as important as simply having the courage to just try. We seek to help our campers feel secure enough to face any adventure in camp and in life.

cultivate character with  
**INTEGRITY**

Integrity, having the courage to do the right thing no matter the circumstance, is an invaluable and increasingly rare characteristic. Integrity involves moral conviction, respect for others, and truthfulness. We emphasize the value of integrity and want our campers to understand the importance of seeking to do the right thing.

understand the value of  
**TEAMWORK**

We are parts of a team at school, in sports, in college, in business, in marriage, and in life. Our campers are parts of teams in the cabin, in activities, and during competition. Through these opportunities, we help our campers understand the value of being a part of a team and how the success of the team is more important than any individual.

learn the importance of  
**FRIENDSHIP**

Camp Ozark provides a great opportunity for campers to form genuine, face-to-face friendships with other kids from around the country. In today's world, these types of friendships are increasingly rare but so very valuable. We want our campers to learn the art and value of true friendship and to appreciate the gift of a true friend.

grow a greater sense of  
**INDEPENDENCE**

At Camp Ozark, we provide an environment in which all campers can grow in independence in ways appropriate for their age. Whether it's taking on new challenges or making choices about what to do during a Special Event or Mish Mash, our campers have ample opportunities to grow and learn about becoming more self-reliant and making wise choices.

Each camper who participates has their essay placed in their Closing Day packet to keep. One essay each session is selected for special recognition. Congratulations!

### WINNING ESSAY

**CAROLINE SMITH P12**

READ THE WINNING

ESSAY BELOW!

*“America – the world renowned home of the free and the brave. When asked why they love America, most people would choose the obvious answer: freedom. The founding of America created the first country of its kind, and soon, the world would follow. Thousands of millions of people flock to America seeking asylum because of this fact. So obviously, of all the reasons to love America, freedom must be the greatest, right? Wrong. Freedom is truly amazing. There are many places in the world where people are nowhere close to as free as we in America are. But freedom is not what makes America great, just as sprinkles on top of the cake couldn’t make up for what was underneath. There is something else found in America and America alone. Something so powerful it could create a nation. Americans possess an undeniable perseverance. The country itself is intrinsically built upon the hope of a better tomorrow. Those two qualities form an unbreakable nation. From the very first American citizens to all those today, every person is affected by the omnipotence of American hope and perseverance. From those come the tangible, or at least a more evident, reasons to love this country. National pride, the American work ethic, traditions: all of these are incomparably American. But none of them, not even American freedom, can exist without American perseverance and American hope for a better tomorrow. And because the American perseverance and hope is alive, we as US citizens have a chance to go out and create that better future. So why do I love America? I love America because it is founded on hope and perseverance. I love America because of everything we have that streams from that basic fact. I love America.*”

## PRESIDENTS

During Red, White, and Blue, we hold an old-fashioned presidential election. Campers pair up, create platforms and posters, and campaign to round up support. That evening, all campers are able to cast their votes for the candidates of their choice. Congratulations to our Camp Ozark Co-Presidents!

### SESSION PRESIDENTS

The celebrity guest judges choose a winner, who receives a trophy!
