

# MT. IDA & HOT SPRINGS LOGGING

Camp Ozark is located in a very scenic region of Arkansas, an area considered by many as a vacation destination. As such, there are plenty of lodging options in the surrounding area. Options range from very basic “fishing” cabins, to standard hotel rooms, to Luxurious Bed and Breakfasts and Condos. Furthermore, you may choose to be “on the lake,” in a secluded wooded area, or in downtown Hot Springs. The listings below are but a sample of the options available. Consult the Mt. Ida and Hot Springs websites for a complete listing of lodging options.

The lodging options below should not be considered as recommendations by Camp Ozark. The list is provided solely as notice of options. Camp Ozark encourages camp families to use property websites and other resources, such as [tripadvisor.com](http://tripadvisor.com), in order to find a lodging option that best fits their needs and expectations.

Please note the prices listed are approximations and may differ from actual summer rates.
