

SUPPLY CHAIN MANAGEMENT (PROGRAM)

Session Commitment: 12 Weeks (Orientation and 5 Sessions)

The Program Supply Chain Management intern role is critical to the successful execution of the camper program and directly impacts the camper experience. Interns assist program directors with various aspects of preparation and operation of the camp program throughout the day, including program inventory management, program facility and equipment organization, and logistics support to a variety of camp areas. Program Supply Chain Management interns are responsible for maintaining camp's standard of excellence in all operations and have a direct impact on the camper and family experience.

Interns can expect to receive in-depth management training and coaching and gain hands-on experience in operations management, staff supervision, inventory platform management, project management, customer service, business administration, and leadership.

KEY RESPONSIBILITIES:

- Assist with the successful operation of camper programs under the supervision of program directors
- Manage a variety of program related operations, projects, and tasks
- Utilize inventory platforms to successfully manage program inventory processes
- Participate in the maintenance plan for program equipment and facilities
- Provide quality control in camper program inventory and equipment
- Assist Leadership in maintaining standards and accountability throughout camp operations
- Supervise, support, and coach summer staff
- Evaluate and provide real-time feedback to staff under supervision

PROGRAM COMPONENTS:

Successful completion of this program includes fulfillment of the following:

- All Top Staff training, responsibilities, and assigned duties
- A pre-camp curriculum consisting of a collection of podcasts, videos, articles, essays, sermons, and other materials (roughly 15-20 hours of material)
- Attendance of a leadership development seminar each session conducted by Camp Ozark Leadership Staff
- Submission of an operational review report per each session of employment
- Participation in a mid-program performance review and an exit evaluation
- Submission of the Operational Excellence Capstone Project within two weeks of completing session commitment

This internship is designed for the following majors: Supply Chain Management, Logistics, Business, Sports and Fitness Management
